THE SOURCE FOR THE DESIGN AND MANUFACTURING OF MEDICAL DEVICES

Enhancement Advertising

Enhancement Advertising

Advertise in the complete reference source for device manufacturers in the \$300 billion medical device and biomedical market. The *Medical Design 2010 Buyers Guide* puts your company in the spotlight... both in print and online at www.medicaldesign.com.

The screenshot shows the Medical Design website interface. At the top, there's a navigation bar with 'ABOUT US', 'CONTACT US', 'SUBSCRIBE', 'ADVERTISERS', and 'RS'. Below that is a search bar. A prominent Panasonic advertisement is displayed with the slogan 'ideas for life'. The main content area features a 'Medical Design Top Story' section with an article titled 'Designers intro to advanced medical adhesives'. The article includes a diagram of a joint and text explaining how advanced adhesives improve the design of joints and the assembly of disposable and reusable medical devices. Other sections visible include 'Supplier Directory', 'News & Press Releases', 'Webcasts & Events', and 'Newsletters'.
